

Central Maine Brittany Club

Summer 2009 Newsletter

Ye Editor apologizes for the late publication of this issue which contains information of interest to club members since last winter. The use of a new software program proved to be futile somewhat delaying the actual distribution. (It won't be used again! - AHS)

FEBRUARY 28 - ANNUAL MEMBERS MEETING
The CMBC annual members meeting was held on Saturday, February 28th at the Weathervane Restaurant, in Augusta, Maine. Elections were held with the following results:

- President - John Short
- Secretary/Treasurer - Donna Pride
- 1st Vice President of Field Trials - Gary Anderson
- 2nd Vice President of Membership - Lisa Tailby
- 3rd Vice President of Shows - Ann Short
- 1 Year Director - Pamela Jackson
- 2 Year Director - RO Hager
- 3 Year Director - Julie Harris
- 4 Year Director - Dwight "Pete" Jordan

You'll notice some well thought out changes and additions to the board composition which will benefit all of us. Ann and Pam decided together to exchange responsibilities while still working closely together on matters pertaining to shows and the oversight of the club. Lisa has joined as 2nd VP of Membership and brings a multitude of great ideas to help the club grow. As webmaster, she will use her skills to foster communication among all Brittany owners by way of a discussion forum/group from the website. A new domain name has been purchased, eliminating the need for such a long and difficult to remember web address. It will be much easier to simply type in the name of the club. An area for members photographs, brags, and all other news of interest are included. All members are encouraged to work with Lisa to make the website be a valuable tool of communication and information. The website is now listed with the American Brittany Club, and be a website we all can be proud of. She's done a fantatstic job! For a glimpse at her work, visit the newly designed site at it's new address:
